bmmazur183@gmail.com

I am a UX designer with a background in art and game design.
My passion lies in building engaging interactive experiences.
My strength lies in my constantly evolving skill set and my ability to adapt to new challenges.

Work Experience

Intern

05/2018 to 08/2018
Columbus Creative Design
Columbus, Ohio

My summer internship at Columbus Creative Design had me carefully editing up to 200 interior and exterior photos a day, crafting detailed presentations of properties through video editing, and constructing professional websites using client approved photos and videos.

Image Annotator

05/2020 to 09/2020
Zen3 Tech Infosolutions
Remote

As an image annotator for Zen3 my job was to apply creative solutions to expedite the image annotation process, allowing me to process up to 200 frames a day.
